## Andy Goldsworthy

Do a google search of Andy Goldsworthy's art-work.

Notice how the artist uses only things found on site in nature ( trees, rocks, leaves, sticks, snow, mud) to create his location specific "sculptures" and "paintings".

For more insight into his imagery, read about his life and inspirations on wikipedia.

### Materials

Site specific materials like trees, leaves, rocks...these will vary depending on where you are.  
A camera/phone.

### Assignment

Create your own site specific "painting" or "sculpture" using only materials you find in your specific location.

Take a picture of your work and send it to me.

### Procedures

Go outside and choose your site.

Find interesting items on the site.

Arrange the items in an interesting way to create an abstract design. Your design may be flat like a painting or 3d like a sculpture.

Take a good picture of your creation and send it to me.
