## Self Portrait As a House

Earlier this year we explored the artist Hundertwasser and became familiar with his style and philosophy.

Do a google search of Hundertwasser's art work.

Remind yourself how he used line, color and shape to design imagery that expressed his ideas about the connections between humans and the environment.

### Materials

8 ½ inch paper

Pencil and eraser

Black ball point pen

Colored pencil optional

### Assignment

Using the work of Hundertwasser as your inspiration, create a picture of yourself as a house.

You must include

- Human features
- An architectural structure
- the outdoor surrounding landscape, ie: trees, walkway, grass, sidewalk, sky...
- Patterns and designs

### Procedures

Hold your page vertically or horizontally.

Use pencil to draw a picture of yourself as a house

Draw the environment around the house

Use black ball point pen to outline

If available use colored pencil to color.
