### Jen Stark

Do a google search and look at the work of artist Jen Stark  
Notice how he uses shape, color and pattern to create psychedelic drip patterns.

### Materials

8 ½ inch paper  
Pencil and eraser  
Black ball point pen or skinny sharpie if available  
Colored pencil or markers if available

### Assignment

Fill your page with patterned drips. If you are using pencil only, your drips can be black, white and shades of grey. If you are using color you may create patterns with black, white and various colors.

### Procedures

Design

- Hold your page vertically or horizontally.
- Use a pencil to draw the outlines of your drips.
- I like to start at the top of the page and draw one section of drips at a time.
- Fill each drip with a striped pattern.
- Fill each pattern in with black, white, and shades of grey or with color.
